A **Casual** Approach to Learning from Twitter

- Select a few people and/or hashtags to explore.
- Set a timer any time you decide to browse.
- Record ideas you find & your action steps to prepare for the implementation of new ideas you plan to try.

An **Intentional** Approach to Learning from Twitter

- Set a goal for something you want to accomplish.
- Follow people, companies, or hashtags to help meet your goal.
- Set a timeline & schedule for exploration.
- Suggestion: set goals, explore, and implement with a partner.
